

## PROFESSIONAL DEVELOPMENT SEQUENCE

The *Eureka Math* team has crafted a multiyear Professional Development sequence to help educators successfully implement the curriculum. This series of Foundational, Sustaining, and Supplementary sessions promotes a deeper understanding of the curriculum in a variety of delivery formats: Institutes, On-Site, and Virtual. If you have questions about any of our PD sessions, please contact the PD Services Team at [PD@GreatMinds.org](mailto:PD@GreatMinds.org).

FOUNDATIONAL	SUSTAINING	SUPPLEMENTARY
Foundational sessions prepare educators who are still relatively new to <i>Eureka Math</i> to implement the curriculum and customize it to meet student needs.	In sustaining sessions, educators receive coaching from <i>Eureka Math</i> trainers. These sessions build capacity and deepen educators' understanding of the curriculum. Choose from a selected set of training options, including on-site or off-site Institutes.	Supplementary sessions improve educators' knowledge of mathematics and pedagogy in specific content areas. They are conveniently available in different virtual formats to fit your individual professional development plan.

### LEADERS

SERIES	SESSIONS	GRADES	FORMAT
Foundational	Lead <i>Eureka Math</i>	K–12	Institute*
Sustaining	On-Site Coaching <ul style="list-style-type: none"><li>• Observe a Sample Lesson</li><li>• Guided Observations for Leaders</li><li>• Deliver a Lesson Collaboratively</li></ul>	K–12	On-Site

### EDUCATORS

SERIES	SESSIONS	GRADES	FORMAT
Foundational	Launch <i>Eureka Math</i>	K–5, 6–12	Institute*
	Focus on Fluency	K–5, 6–8	Institute*
	Preparation and Customization	K–5, 6–12	Institute*

<b>Sustaining</b>	Solving Word Problems	K–2, 3–5, 6–9	Institute*
	Understanding the Major Work of the Grade Band	K–2, 3–5, 6–8	Institute*
	Foundational Math	K–2, 3–5, 6–12	On-Site
	On-Site Coaching <ul style="list-style-type: none"> <li>• Observe a Sample Lesson</li> <li>• Guided Observations for Leaders</li> <li>• Deliver a Lesson Collaboratively</li> </ul>	K–12	On-Site
<b>Supplementary</b>	Number Core	PK–K	Virtual (synchronous)
	Using Exit Tickets to Inform Instruction	1–5, 6–8	Virtual (synchronous)
	Using Whiteboard Exchanges to Close Learning Gaps	3–8	Virtual (synchronous)
	Part–Whole Relationships	K–2, 3–9	Virtual (synchronous)
	Eureka Digital Suite (Navigator)	PK-12	Virtual (on-demand)

\* Great Minds hosts a number of multi-day, off-site Institutes throughout the year in order to provide broad access to PD for the growing community of Eureka users. For more information about upcoming Great Minds Institutes or, to inquire about an on-site PD session please contact the PD Services Team at [PD@GreatMinds.org](mailto:PD@GreatMinds.org).
