

Founded in 2007, Great Minds PBC has evolved from an education advocacy start-up to a respected curriculum developer providing the highest-quality materials and professional development to schools and districts nationwide. In pursuit of its goal of raising expectations for every student, Great Minds® enlists educators to write curricula based on proven learning strategies to reward students' natural curiosity, build knowledge, and cultivate lifelong critical-thinking skills. Writing teams collaborate to ensure a consistent structure and vision for learning within and across all grade levels. We are pleased to bring you our newest kindergarten through grade level 8 English language arts (ELA) offering, *Arts & Letters*™.

*Arts & Letters* students engage with high-quality texts to explore science and social studies topics, literature, and fine art. By studying topics in depth, students build knowledge of the lived experiences of others and learn how a deeper knowledge of those experiences can change the world. The text-based lessons build strong readers, writers, and communicators through effective use

of grammar and vocabulary. All students read and discuss grade-level texts, and the curriculum provides guidance for supporting all learners at key moments in the lessons.

There are four topic-driven modules for each grade level in *Arts & Letters*. The modules last between six and eight weeks and contain approximately 40 lessons. The core of each module is a selection of literary works, informational texts, and visual art. All modules integrate reading, writing, speaking, listening, and language instruction.

*Arts & Letters* was intentionally designed to be implemented alongside a high-quality, research-based foundational skills program. With strategic placement of supplemental materials, students can successfully achieve the proficiencies of Oregon standards while benefiting from the rich texts and knowledge-building of *Arts & Letters*. A detailed alignment analysis between Oregon standards and *Arts & Letters* follows.
