

DIGITAL WALKTHROUGH GUIDE

Welcome to *Arts & Letters*

One Coordinated System. Two Complementary Strands.

Arts & Letters™ is a K–8 literacy program designed to help every student become a confident, capable reader. In grades K–5, two strands work in concert to develop every student as a skilled reader.

***Arts & Letters*™:**

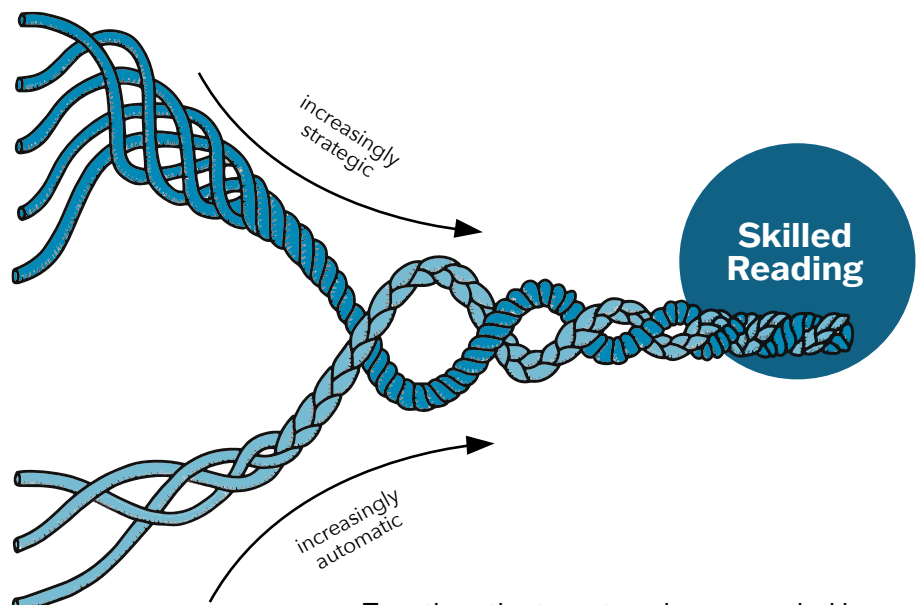

Language Arts (K–8)

builds the knowledge, vocabulary, and thinking skills that students need to understand complex texts.

***Arts & Letters*™:**

Reading Foundations (K–5)

develops the foundational skills that students use for word recognition, fluency, and comprehension skills through explicit systematic instruction.

Together, the two strands—grounded in the Science of Reading and designed to support teacher expertise—create a clear, dependable path to skilled reading.

Scarborough, Hollis S., *Handbook of Early Literacy Research*, vol. 1, edited by Susan B. Neuman & David K. Dickinson, © 2001 The Guilford Press. Reprinted with permission.

Logging In

Log in at digital.greatminds.org using the login credentials provided.

1. Explore Module Resources

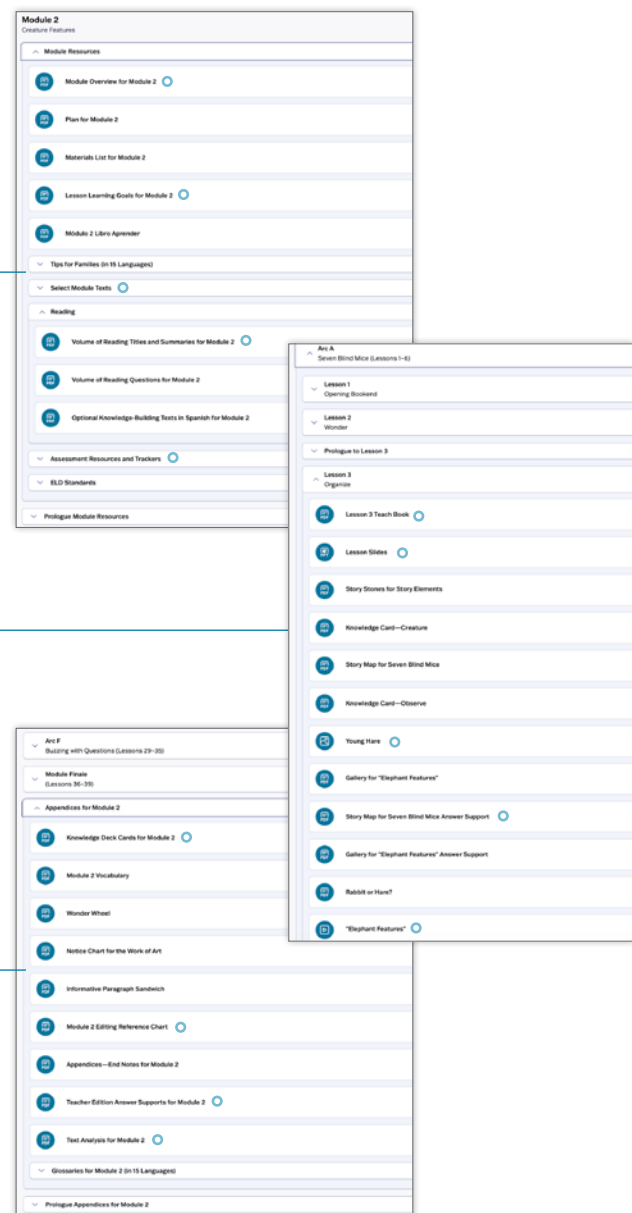

- Select your **grade level**, then choose a **module or volume** to explore.
- Within a module, you'll find
 - Module Overview, Lesson Learning Goals, Select Module Texts and Volume of Reading resources, and Assessment Resources and Trackers.

2. Dive into Lesson Materials

- Expand **an arc** (*Language Arts*) to find **lessons** (*Language Arts and Reading Foundations*) and resources such as
 - Teach book, Lesson Slides, and lesson-level resources, including PDFs, videos, and visuals.

3. Access Supporting Resources

- See the **appendices** for additional resources, including
 - Knowledge Cards, Reference Charts, Teacher Edition Answer Supports, and Text Analysis.

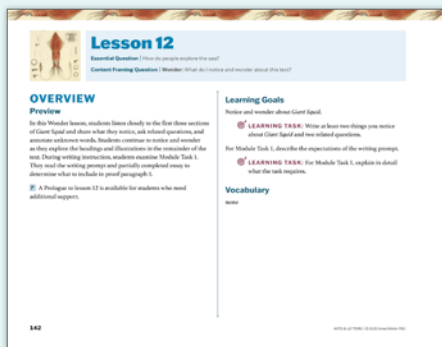

Digital Support for Both Strands

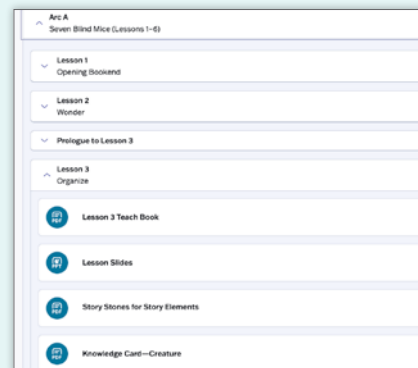

Digital resources help teachers plan, teach, assess, and deliver **Arts & Letters** instruction with confidence.

Digital Teacher Materials

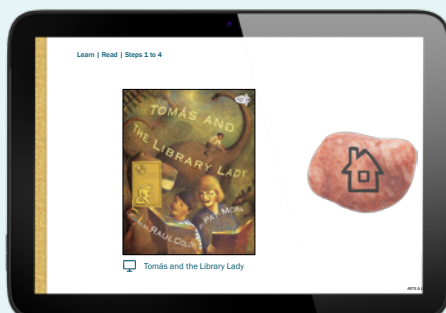

Teach books provide access to lesson guidance, routines, instructional notes, and embedded supports for both *Language Arts* and *Reading Foundations*.

Digital access to **student-facing resources** supports preparation, projection, and flexible use of materials during instruction.

Ready-to-use slides help teachers guide instruction, display lesson content, and keep routines consistent across classrooms.

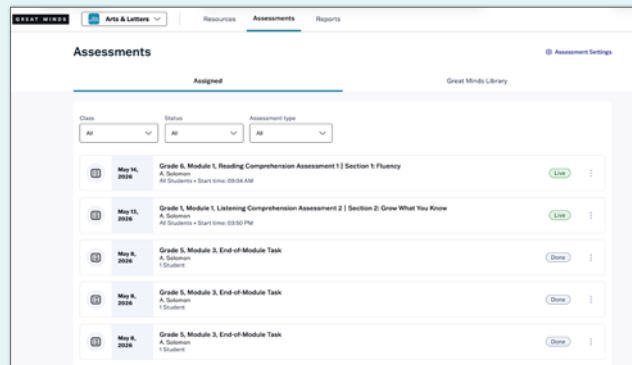

Implementation guides and videos help teachers, coaches, and leaders understand the design of the program and prepare for instruction.

Digital Assessments and Reporting

- **Assessment materials and trackers** help teachers monitor progress and inform next steps.
 - Assessments are available to support print or digital administration.
- **Reporting tools** provide class and student insights aligned to grade-level expectations.

Digital Student Materials

- **Learn books** support *Language Arts* instruction with knowledge-building passages, writing prompts and checklists, and vocabulary or grammar skills practice.
- **Practice books** support *Reading Foundations* instruction with practice and application of phonics skills, word reading, and handwriting.
- **Magpie Literacy™** provides digital practice and screening support for early literacy development.

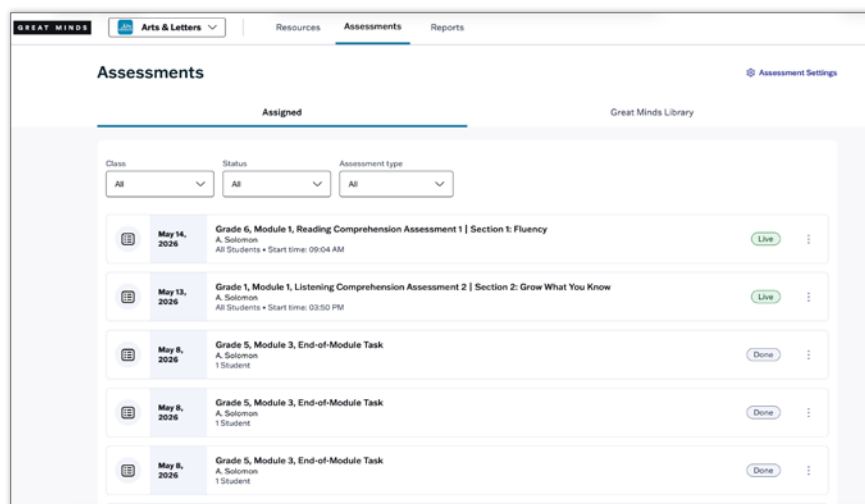

Digital Assessments and Reporting

Assign and launch assessments directly from the platform.

Assessment types include the following:

- **Listening Comprehension Assessments**—tools for monitoring comprehension across texts
- **Module Tasks and End-of-Module Tasks**—extended demonstrations of knowledge, reading, and writing

Navigate to your grade-level module and select the **Assessments** tab to browse and assign.

Reporting

- Monitor student progress with detailed student reports, class insights, and standards-based performance.
- Use reports to identify students who need additional support or extension.

Results

Assessment

Grade 6, Module 1, Reading Comprehension Assessment 1 | Section 1: Fluency

Grade 1, Module 1, Listening Comprehension Assessment 2 | Section 2: Grow What You Know

Grade 5, Module 3, End-of-Module Task

Grade 6, Module 1, End-of-Module Task

Grade 5, Module 4, Reading Comprehension Assessment 1 | Section 2: Show What You Know

Grade 6, Module 1, End-of-Module Task

Grade 5, Module 4, Reading Comprehension Assessment 1 | Section 3: Grow What You Know

Not Yet Approaching Expectations (0-49) | Approaching Expectations (50-79) | Meets Expectations (80-100)

Digital tools are designed to align directly to instruction, reinforcing learning without adding complexity.

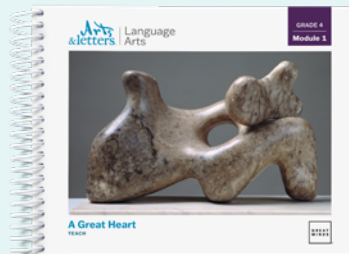

Everything You Need for Comprehensive ELA Instruction

Components support clear instruction, targeted guidance, and ongoing assessment.

Language Arts (K–8)

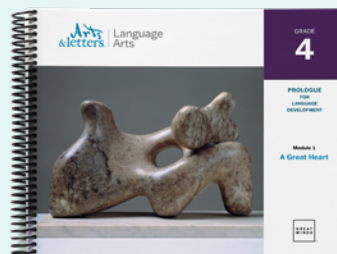

Teach book

(Teacher Edition)
Supports instruction from start to finish with clear, teacher-friendly lessons.

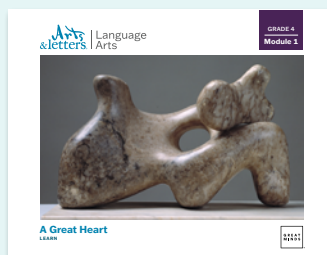

Prologue for Language Development

Flexible lessons introduce key concepts and context ahead of core instruction.

Learn book

(Student Edition)
Captures learning through organizers, tasks, and more.

Whole Books

Engage students in reading experiences through knowledge-rich trade books.

Knowledge Cards

Reinforce explicit vocabulary students encounter in their reading and discussion.

Reading Foundations (K–5)

Teach book

(Teacher Edition)
Supports instruction from start to finish with clear, teacher-friendly lessons.

Handwriting

Supports writing development through integrated instruction, including cursive.

Practice book

(Student Edition)
Strengthens learning through purposeful, aligned practice.

Decodables (K–2)

Provide students with opportunities to apply phonics skills in connected reading.

Classroom Resources and Manipulatives

Make abstract skills visible and encourage active learning.

Arts & letters®

Build Skilled Readers with Confidence

Arts & Letters is a K–8 literacy program that unites language comprehension and foundational skills within one coordinated system, ensuring literacy instruction is aligned, purposeful, and consistent across grades.
